PROFESSIONAL SUMMARY

A seasoned professional with over a decade of experience in government contracts and a proven track record in 3D and 2D art. For the past 13 years, I've honed my artistic skills, creating compelling visuals that bring ideas to life. In the last 5 years, I've expanded my expertise into programming and interactive media, utilizing tools such as C#, JavaScript, TypeScript, Unity, and ThreeJS.

EXPERIENCE

Multimedia Programmer Carley Corporation - Orlando, Florida **2019 - 2026**

Collaborated with a team of programmers and Instructional Designers to create interactive 3D and 2D training applications using JavaScript, C#, Animate, ThreeJS, and Unity. Developed and implemented features, optimized performance, and ensured cross-platform compatibility.

3D Artist Aegis Technologies - Orlando, Florida **2014 - 2019**

Created 2D and 3D model assets while ensuring model functionality and visual accuracy for use in a Game Engine for Training Simulation. Accurately created buildings that adhered to modeling specifications. Collaborated with team members verify accuracy and meet deadlines.

Multimedia Artist Carley Corporation - Orlando, Florida **2011 - 2014**

Created 2D and 3D assets and imported them into Adobe Flash to create animations and user interactivity using ActionScript3 for Computer-Based Training Applications. Collaborated with team members to ensure functionality and deadlines were met.

Multimedia Artist Corsair Engineering - Orlando, Florida **2009 - 2011**

Collaborated with Instructional Designers and Programmers in creating 2D and 3D assets, as well as videos in Adobe After Effects, for Computer-Based Training Applications.
